

in cooperation with

SPAN INTERNATIONAL SAFETY WORKSHOPS

is offering a

CONSTRUCTION SAFETY & HEALTH TECHNICIAN WORKSHOP (CHST)

This workshop is intended to assist you in preparation for the CHST examination. You will receive information on CHST education and experience requirements for the certification and practice on 200 questions addressing the eight areas to be covered by the exam. At the completion of the CHST prep workshop participants will learn to:

- Safety program management and administration
- OSHA regulations and inspections
- Training and orientation
- Hazard communication
- Inspections and audits
- Job hazard analysis/pre-job planning
- Accident investigation
- Recordkeeping requirements

This course will be offered over a three day period and we have worked out a cost which is based on a minimum number of students to keep the cost reasonable. The course will provide each student with a workbook, handouts, a BCSP approved calculator, and daily continental breakfast and lunch. The cost per student is \$900.00 which includes lunch. We have negotiated a base cost for this and will need 10 students for this to work.

DATE & TIME: April 2nd, 3rd, and 4th, 2012 • 8:00am – 4:00pm

LOCATION: Med-Tex Services
6940 State Road, UNIT F, Philadelphia, PA 19135

TO REGISTER: Call Mary Cabbage at (215) 676 3536

PAYMENT: Check or credit cards accepted
(Checks made payable to Med-Tex Services)

Additional information on the certification process can be found at <http://www.cchest.org/chst>. Please note that each student is responsible for applying for acceptance to sit for the examination, as well as, any associated costs.

Please fill out attached registration form.
